

dpm Tax Professionals – all levels

DPM Financial Services is proud to be recognised as the AFIA Holistic Advice Business of the Year 2025 by the Institute of Financial Professionals Australia (IFPA). This award reflects our commitment to excellence and our holistic approach to supporting our clients with high-quality financial advice.

As we continue to grow, we're looking for experienced and motivated Tax & Accounting professionals, at all levels, ready to take the next step in their career. Whether you're progressing to Intermediate, Senior, Tax Manager or beyond, or simply seeking a new environment where you can make an impact – this could be the right move for you.

Based in Melbourne and Sydney, DPM provides high-quality financial services to a high-net-worth client base of medical professionals. You'll work closely with clients, build strong relationships and enjoy diverse and engaging work within a collaborative and supportive team.

Why DPM?

At DPM, we believe your career should grow as fast as your ambition.

Here's what we offer:

- Flexible working: we support a balanced work style, incorporating a blend of office and work from home
- Additional leave: enjoy five additional paid leave days each year
- A culture of learning and development: monthly Tax Banter, ongoing Professional Development, formal and targeted/ personalised development plans
- State of the art Office Space: work from our brand new, modern office located on St Kilda Rd, right next to the Anzac Station and tram stop.
- Motivating team: be part of a forward-thinking and energetic team of Partners, Consultants, Accountants and Client Experience Administration
- Social culture: build strong relationships with colleagues beyond the workplace – experience a lively social atmosphere with an engaging calendar of events and activities

Your role will include:

- Preparing complex tax returns and financial accounts, including BAS and IAS
- Maintaining accurate client data and information records
- Assisting and collaborating with Accountants and Consultants as required
- Participating in and leading client meetings as needed
- Addressing client enquiries, including software-related issues and general tax questions
- Conducting research to provide detailed information and business advice to clients
- Mentoring other accountants, sharing your expertise and knowledge
- Working closely with our Wealth, Insurance and Lending teams to deliver tailored holistic client advice
